Dear Salvation Army Advisory Council Members,

On behalf of all of those who were willing to imagine, and then work so hard to begin to realize the possibility of taking a street based homeless feeding and social services program and giving them a home, thank you.

All of us at the GWHFC and the Friends of the Food Coalition look forward to working closely with everyone at the Salvation Army to build a really dynamic program to assist those less fortunate than ourselves.

Here's to the future.

Sincerely,

Paul Sobel
